DECISION ON ATTORNEYS' FEES AND COSTS¹

Dorsey, Chief Special Master:

On April 11, 2017, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioner alleges that he suffered Guillain-Barré syndrome ("GBS") as a result of an influenza ("flu") vaccine administered on October 7, 2015. Petition at. On November 22, 2017, the undersigned issued a decision awarding compensation to petitioner based on the respondent's proffer. (ECF No. 29).

On January 23, 2018, petitioner filed a motion for attorneys' fees and costs. (ECF No. 34). Petitioner requests attorneys' fees in the amount of \$21,371.81 and attorneys' costs in the amount of \$2,116.08. (*Id.* at 1). In compliance with General

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Order #9, petitioner filed a signed statement indicating that petitioner incurred no out-of-pocket expenses. (*Id.* at 4). Thus, the total amount requested is \$23,487.89.

On January 30, 2018, respondent filed a response to petitioner's motion. (ECF No. 35). Respondent argues that "[n]either the Vaccine Act nor Vaccine Rule 13 contemplates any role for respondent in the resolution of a request by a petitioner for an award of attorneys' fees and costs." (*Id.* at 1). Respondent adds, however, that he "is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case." (*Id.* at 2). Respondent "respectfully recommends that the Chief Special Master exercise her discretion and determine a reasonable award for attorneys' fees and costs." (*Id.* at 3).

Petitioner has filed no reply.

The undersigned has reviewed the billing records submitted with petitioner's request. In the undersigned's experience, the request appears reasonable, and the undersigned finds no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards the total of \$23,487.89³ as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel John Robert Howie, Jr.

The clerk of the court shall enter judgment in accordance herewith.⁴

IT IS SO ORDERED.
